Girls Night Out for 49ers Academy 2015

The 300 or so women who went to the [49ers Academy's *Cocktails and Couture*](#) event were rewarded with the ultimate girls night out — a fashion show, chocolate, wine — and lots of players! Bay Area sports legends and their families, community and business leaders, along with hundreds of supporters, gathered at the Hillsborough estate of **Kathie** and **John Milligan** on September 9,

“Funding for equality in education is more important now than ever, as the skyrocketing cost of living in the Bay Area has a direct impact on our students. We provide not only a safe haven from the wear and tear of poverty and a multitude of educational programs, but also meals, school supplies, after-school homework help, mentoring, and a library,” said **Bella Babot**, San Francisco 49ers Academy Vice Board Chair and *Cocktails and Couture* Event Chair. “For the attendees tonight, it is a fun and frivolous girls night out, but the funds we raise are a lifeline for our students.”
